Happily Achieving Together

Last day of Term

Today is the last day of our Spring Term and although it has only been 10 weeks, it has been very busy. We are finishing today for the Easter holidays and children will return to school on **Monday 8th April**. I wish you all a very Happy Easter and hopefully a dry and sunny holidays for us to get out and about.

Easter Activities

We have had great fun in school this week. There has been egg decorating, chocolate nest making and egg rolling. The Easter Bonnet Parade yesterday was such a treat and a huge thank you for so many incredible bonnets. Thank you all for your support in making this week so much fun.

Recycling

You may already be aware, from 6th April 2024, it will become law in Wales for all businesses to sort their waste for recycling, this will include schools. As it stands, we do work hard to sort and recycle much of our waste in school; however, we will still need to do more. We have been busy planning and preparing. One change for us will be for the children who have packed lunches to take their waste home with them – this way, parents will have more idea about what their child has / hasn't eaten, and it would also help to make sure that the items are separated and recycled correctly. We will be chatting to all the children and explaining it to them after Easter!

Happily Achieving Together

PC Hadley

Some of you may remember PC Hadley came into school and gave a talk to parents about Internet Safety for our children. Many of you asked for him to come back and he will be with us on Wednesday 15th May at 2pm. We will send out reminders nearer the time, but I cannot stress strongly enough how important the information is that he will share with you, and how you need to know how to help keep your child safe.

Dates For The Diary:

- 22.03.24 – Last day of term
