Happily Achieving Together

Halloween

We have had a fun day in school today, a lovely way to end this half term. The children looked amazing in their costumes and it is incredible how imaginative you can all be with the outfits and makeup!

Sickness Bug

There have been lots of children and staff who have suffered from the sickness bug recently. Good handwashing is really important to stop it spreading and also Public Health Wales tells us to stay at home for 48 hours (2 days) after the last bout of sickness or diarrhoea to make sure you don't spread it to anyone else. Please make sure you follow this guidance even if your child seems to be better. <https://111.wales.nhs.uk/encyclopaedia/d/article/diarrhoeaandvomiting/>

Swansea University Science Festival

With the weather forecast not brilliant for this weekend, there is somewhere free you can go and stay dry. Swansea University are holding a science festival in the Waterfront Museum, on Saturday and Sunday from 10am until 4pm. There will be lots to see as well as bookable events. The children will break up for Christmas on Thursday 21st December and return on Monday 8th January 2024. There are 3 remaining Inset days left for this school year, and as soon as the dates are confirmed I will let you know.

Firework Safety

November 5th falls in half term week. If you are having fireworks at home please remember to follow the Firework Code. The safest way to enjoy the evening is to go to an organised display.
