End of Half Term and Harvest

Thank you to everyone who sent a donation in for our Harvest Celebration. It is so kind of you and we appreciate your support and thoughtfulness. Today is the last day of this half term, next week is a holiday and we will be back in school on Monday 3rd November.

Thank you

A big thank you to everyone for their support this half term.

Thank you to everyone who took the time to attend our Meet the Teacher meetings in September. It seems such a long time ago now, but we hope you found them helpful

Thank you to Mrs. Green and all the parents who have been supporting and helping in the PTA meetings. You make a big difference to the school and we all really appreciate you giving up your time. If you are interested in helping out with the PTA, then please speak to Mrs. Green.

Thank you to Mrs. Lewis for organizing Family Club. It has been a pleasure to see so many of you come and join in the activities with your children and spend time together. There will be more Family Club sessions next year.

Thank you to Mrs. Churchill for organising speakers to come and meet with parents. So far, Anthony Quinn-Flippin has been in to talk about Autistic Spectrum Disorder and Gemma from the Play Library visited this week. There is so much information out there that so many of us are not aware of and these visitors are able to answer so many of your questions that we as a school do not know the answers to.

More visitors will be coming in to school, so keep a look out on Class dojo for the details.

School Photographer

The school photographer will be in school on Wednesday 19th November to take your child's photos. If you have younger children, not in school, and want a family photo, please come to the hall at 8am.

Halloween

We have had a lovely day today, enjoying the end of term and Halloween. There have been lots of treats and not too many tricks. It is always so much fun to see the children dressed up in some extremely imaginative and scary costumes! Thank you everyone for joining in the fun.
